**Subject:** Fwd: Meeting at NAS Fallon  
smime.p7s

I am taking the day off without pay to go to this, since I am not being paid by GAP funding and Walker River Paiute Tribe needs to have presentation. This is very important to us and our future work tasks.

Thank you,

Cynthia Ocegueda

Ms. Ocegueda,

The Navy would like to invite you to a meeting at Naval Air Station Fallon on October 14 to discuss our proposal to modernize the Fallon Range Training Complex. The Navy proposes to 1) renew and reserve for military use existing land withdrawals that are set to expire in 2021, 2) withdraw an additional 604,784 acres of public land, 3) acquire approximately 65,150 acres of private property, and 4) make changes to our airspace. Under the proposal there will be no changes to the current types and tempo of training already conducted at Naval Air Station Fallon. We are analyzing the environmental impacts of the proposal in a Draft Environmental Impact Statement and your input is necessary to ensure that our analysis is complete.

The meeting will be an information session intended for tribal leaders and their environmental and cultural resource staff, so that you can make decisions regarding your tribe's involvement in the proposed undertaking. It will be held at Naval Air Station Fallon on October 14 from 1:00 to 3:00 at the Youth Activity Center located in Family Housing. A map with directions has been attached for your convenience.

The following Tribes have been invited to the meeting:

Fallon Paiute Shoshone Tribe  
Walker River Paiute Tribe

Pyramid Lake Paiute Tribe  
Yerington Paiute Tribe  
Yomba Shoshone  
Reno Sparks Indian Colony

This will be a multi-year process and we anticipate that this will be just one of several meetings we will be holding with your tribe. We look forward to working with you on this important project. If you would like to learn more about the project before the meeting, please visit [www.frtcmodernization.com](http://www.frtcmodernization.com).

Sincerely,

Robin Michel  
Archaeologist
